FRILLS & Fundamentals

Early planning helps assure success

While most students were enjoying the final days of summer vacation, some of the more industrious members of the Reitz family were making preparations to help assure success for the 1982-83 school year.

In the news, and on the minds of most of us, was the issue of closed campus. The School Board, in response to requests by a number of concerned residents in the Reitz neighborhood, was considering closing the campus during the school day. Through the efforts of the Student Council officers and other concerned students, the Board was convinced that Reitz and its neighbors could survive with an open campus concept.

Also busy during the summer months were performing groups and athletic teams as they began preparations for the coming school year.

Summer sessions helped varsity cheerleaders gain perfection for the football and basketball seasons. They are, from bottom, Kelly Forbes, Beth Rupp, Kim Pickett, Julie Roehr, Christy Wedding, Shari Aramowicz, Kim Weston and Joann Ritter.

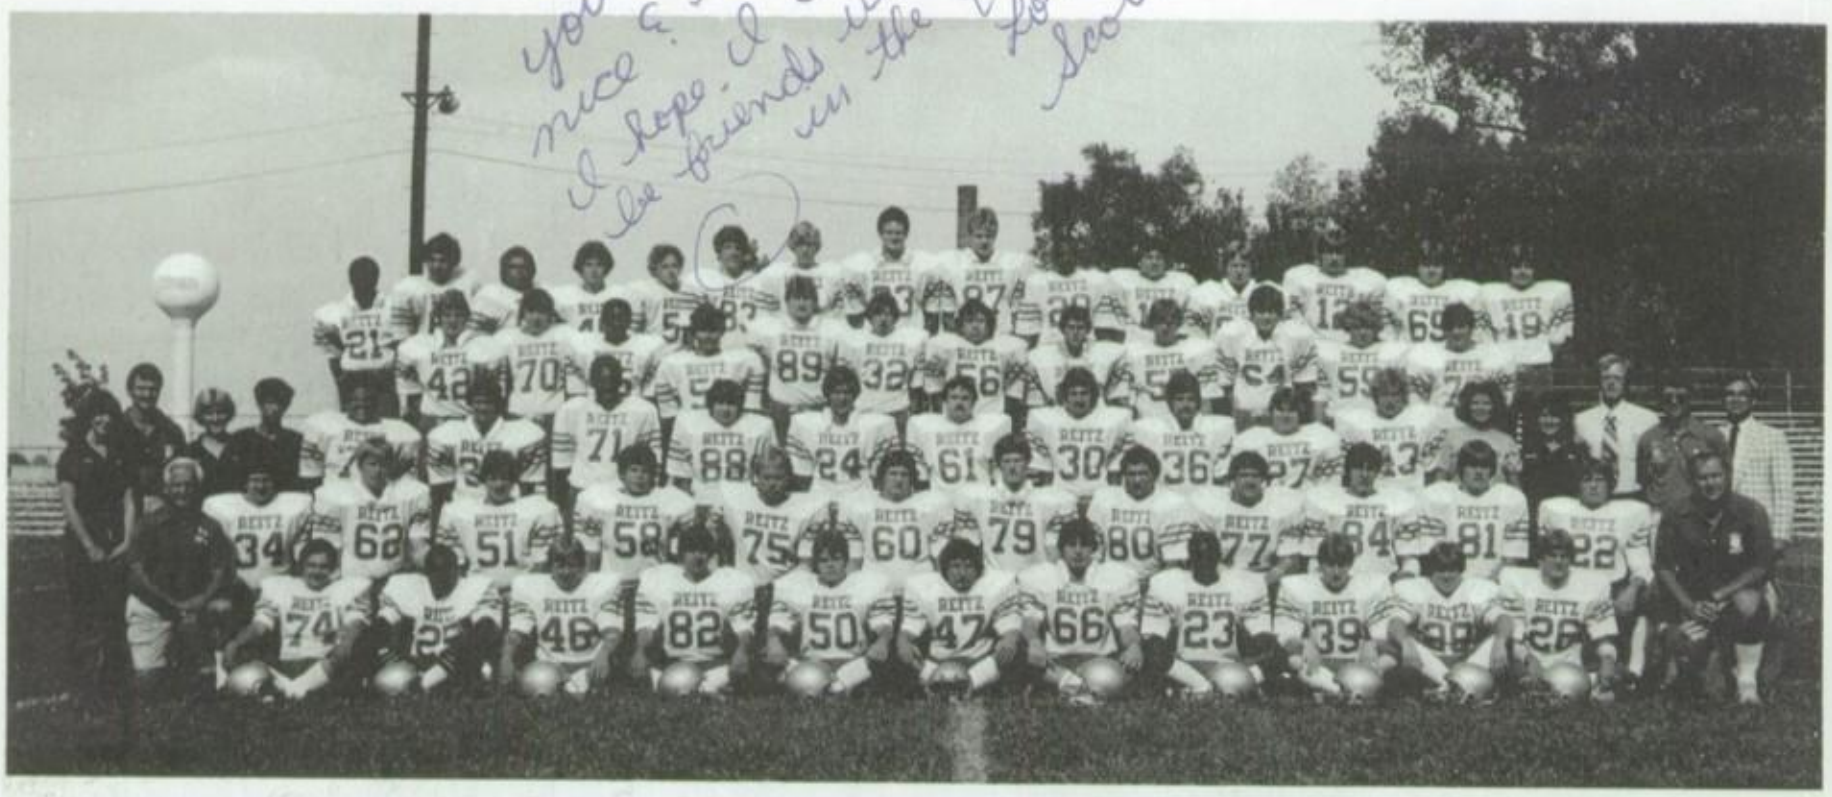
Efforts by the Student Council officers during the summer helped assure an open campus for the students this school year. Officers are Dwayne Ackerman, Kim Baker, Bill Garibay, Anne Pavlick and Dallas Peak.

Cheering the freshman teams to success were freshman cheerleaders, from bottom, Holly Wade, Angie McCullough, Kendyl Albin, Missy Norman, Kelly Talley and Marylou Wilkerson.

Reserve cheerleaders helped boost the spirits of their teams during the seasons. They are, from bottom, Jeanne Lang, Lisa Wilmes, Romunda Watkins, Anne Pavlick, Kendyl Albin and Toni Kasinger.

Peppy the Panther promoted enthusiasm with her antics during various Panther athletic contests.

Sometimes even Peppy gets "pooped." Kathy Hicks takes a break after one of her performances.



Disappointed with their season record, but proud to have been a part of the Panther gridiron tradition are members of the varsity football team, front row from left, Coach Schaefer, D. Morell, R. Collier, T. King, K. Stephens, T. Ruff, D. Henderson, C. Huebner, V. Brown, B. Babb, B. Schnaare and W. Harrison. Second row, D. Albin, E. Effinger, J. Moore, D. Hape, G. Harmon, R. Tenhumberg, E. Herschelman, M. Jenkins, D. Albin, N. Winiger, D. Ackerman, R. Geiser, K. Brunson and Coach Ashworth. Third row, Coach Williams, C. Beckham, B. Kohlmeyer, N. Bavone, S. Wilhite, J. Layne, J. Torres, R. Albin, S. Conner, S. Bogard, M. Brown, D. Brinkmeyer, M. Bailey, A. Shaw, M. Denman, Mr. Bratt, Coach Brunson and Mr. Higgs. Fourth row, B. Elder, D. Killian, C. Johnson, R. Doerr, M. Gridders fall shy of early expectations

After a disappointing opening season loss to Henderson County, the varsity gridders struggled to a 3-5 season mark.

Highlighting the season was a 21-14 verdict over Westside rival Mater Dei and the steady play of Kiwanis Award winner and All-State performer Kirk Brunson. Marc Bailey was also honored with All-State recognition. Brunson and Bailey, along with Nick Winiger, Eric Herschelman, Randy Albin, Greg Harmon and Dwayne Ackerman were named All-City.

With mediocre performances by both the reserve and freshman teams, the Panthers face an uphill battle to reestablish themselves as city contenders next year.

At the conclusion of the season, head coach Bob Ashworth announced his resignation. The Panthers will face next season with a new coach and a number of new varsity faces.

Helping ease the pains encountered by the Panther gridders were trainers, front row from left, Susan Koewler, Christie Beckham and Amy Shaw. Second row, Margot Denman, Melissa Reisz and Kris Hansen.

Recognized for outstanding achievements in football and volleyball are Kiwanis Award winners Kirk Brunson and Toni Ervin.

Faculty & *Friends*

Lisa, Keep up the good work. See you next year. Brad

Faculty helps students cross troubled waters

Throughout the years, Reitz High School has had a truly outstanding tradition of leadership and excellent educational standards. The faculty of Reitz has supported all of us whenever we needed a friend or counseling about our classes. Each year the faculty had provided us with entertainment at pep assemblies and organized dances, including prom. They have often been our "Bridge Over Troubled Waters" when the going got rough. Sometimes we might not have agreed with what they were telling us, but they always gave us good advice. Credit has to go to these wonderful people who have never given up on us even when they thought there was no hope. It takes really special people to spend so much time for benefit of others.

In December, Reitz lost a very fine teacher. Our former basketball coach, Mr. Jim Barnett, passed away after battling cancer for many years. He was a friend to many, and his death was a great loss to the Reitz faculty. All of us will miss him.

The band had an excellent year under the direction of Mr. Clark.

New experiences greet the Freshman class

The class of 1986 seems to have an abundance of talent in all areas: in academics, music, and speech. As we came to Reitz eager but very unsure of ourselves. We found ourselves thrown into something very different from grade school life, and it took us a while before we began getting settled into our school work and various activities.

As freshmen we were faced with many new experiences. We had our first finals and our first Homecoming. We met new friends. We all seemed to enjoy the spring picnic. This year there was a dance added to the end of the picnic. So that more people could go, there was a candy sale held to keep the cost down. The candy sale was successful, and it taught us to manage money and organize ourselves. We wouldn't have come as far as we did without our class sponsers, Mrs. Koch and Mr. Albin. With all of this going for us, we look eagerly forward to our next three years at Reitz.

Anxious to get their class off to a good start are freshman class officers Darrin Carnahan, Barbara Bain, Cindy Paddock and Mike Peerman.

Exercising their open campus privileges, Reitz students head for lunch.

Sophomores take step on ladder to the top

As sophomores losing our freshmen newness, we are discovering all the great opportunities at Reitz. Not the innocent "greenies" anymore we are ready to face the challenges high school has to offer. After completing our first two years at Reitz, we are becoming more a part of the various activities here.

Settling into the jobs that require more responsibility, we sophomores are developing into the seniors of tomorrow. As we fill more varsity and leadership positions, we are growing into upperclassmen. The more involved we become, the more we realize all the work and loyalty required to uphold the traditions at Reitz; nevertheless, we are looking forward to the Junior Year.

Besides the responsibilities, we had much fun, too. We enjoyed the traditional jobs of serving and clean up at Prom. This year the sophomore class sponsored a St. Partick's Day dance which was a great success and fun for all.

We have found that the teachers and staff are always helpful and glad to advise us. As we work with the teachers, we develop lasting friendships. We have confidence that with the aid of the teachers and staff, we will make full use of the opportunities offered during the next two years.

Leading the sophomores through the ups and downs of the year are their class officers Ginger Nicholson, Julie Chipps, Elaine Herschelman and Cheryl Peerman.

Junior class prevails as the Seniors of tomorrow

It seems as though just last year we were greenies buying elevator passes and frantically searching for room numbers. We soon learned the ropes, and the next couple of years flew quickly by. As the title of "Juniors" was placed upon us, so were extra responsibilities of being upperclassmen. Coaches gave us more playing time. Many of our class members won great honors in speech, gymnastics, wrestling, and art. We strengthened our music and acting talents. In general, each of us became more involved. Prom especially helped to motivate involvement. Long hours were spent in working with our class sponsers, Mrs. King and Mr. Fay, to make the dance a success. Our third year has been a good one, but next year will be even better. So let's work even harder next year because "We are great, We'll do more, We're the Class of '84!"

Standing tall with pride and dignity are the junior officers Ann Betulius, Kevin Elpers, Shari Aramowicz and Darin Julian.

High school memories linger for years to come

Well, here it is, our senior year. Where have all those years gone? It seems as though only yesterday we were freshmen. Remember that year? As freshmen we began to realize the many opportunities that Reitz had to offer to us. We became involved in student council, sports, drama, speech, band, orchestra, choir, and many other activities. We ended our freshman year with a picnic at Kramer's Lake. One of the many activities during our sophomore year was the job of serving upperclassmen at the Junior/Senior Prom. From that experience we learned about the prom. In our junior year we had a candy sale so that we could raise money for the Prom that year.

We had serious problems during our senior year. We were faced with the possibility of a closed campus, and after serious discussions with the school board and our neighbors on the Hill, we succeeded in keeping the campus open.

The Junior/Senior Prom was the big event of our senior year, and, of course, our class trip to Six Flags.

All of our activities have been exciting during our four years, but the most exciting one we have all been waiting for is graduation. Perhaps the moment will come too quickly. The memories we have gained here will always be a part of us even though we must separate and go our own ways. The memories will help keep us together, the class of 1983.

Senior officers Scott Smith, Susan Koewler, Tina Reine and Sherri Kramer smile at their many accomplishments during the year.

To extend your knowledge still further-

May We 'Educate' You About Diamonds

AT DROSTE'S WE SHOW YOU DIAMONDS 'INSIDE AND OUT' UNDER OUR 'GEMOLITE GEM SCOPE'--REGISTERED BY THE GEMOLOGICAL INSTITUTE OF AMERICA. AND WHILE WE ARE SHOWING YOU A DIAMOND UNDER MAGNIFICATION, WE ARE EXPLAINING THE FOUR C'S--CUT, CLARITY, COLOR AND CARAT WEIGHT. AND THEN, OUR VERY OWN FIFTH C--COMPARATIVE PRICE! THIS IS IMPORTANT! 'C'-ING IS BELIEVING! AND AFTER WE EXPLAIN THE FIVE C'S, OUR CUSTOMERS ARE TRULY ABLE TO SEE WHAT SOME ARE FAILING TO SHOW THEM. WE ARE CONFIDENT THAT HAVING EDUCATED YOU ABOUT DIAMONDS--FURTHER SHOPPING AND COMPARING WILL ONLY BRING YOU BACK TO US! HONESTLY!

FINE DIAMONDS ARE THE VERY "HEART" OF OUR BUSINESS
